

KIM KAUFMAN

Ignite your passion.

Discover your potential.

Plan your next chapter.

Kim shows you how.

It starts with communication.

Connect with people, lead and inspire, combat change, enjoy the adventure. Through the power of storytelling, interpersonal communication and change management, Kim will empower audiences to step outside their comfort zone, turn risk into reward, and get results.

Keynote Presentations

Recalculating: In a world of change, learn to navigate new roads, find opportunities for growth and transform your future. Kim's 3-2-1 method will show you how.

Newsflash: It's YOUR story! Discover how to create super strength communications that leave a lasting impact. Through the art of storytelling, you can increase awareness, advocacy and loyalty for yourself, organization or brand.

Hello in There: Kim explains how a simple decision can help you build a network, improve your leadership skills and chart a path to success. Change your outlook, and change your world...for the better.

Maximum Impact Speaking: Master the art of public speaking through this engaging, fun and educational workshop. Hone the coveted skills needed to reduce anxiety, connect with audiences, influence and inspire.
